Target Students			
Course Description & Goals	<p>This course will be an introductory course on Contemporary Ethics. Throughout the term, we will examine themes and issues on contemporary moral philosophies, with a particular emphasis on applied ethics. Applied ethics involves examining specific controversial issues.(Please refer to weekly topics for further information)</p> <p>In this time of Covid19, who gets treatment priority? How do we determine who gets treatment priority? Which country, which region, which community deserves medical priority? Simply, who deserves what? Other questions to be covered, "How does one go about behaving ethically?", "How do we define ethical behavior?"</p> <p>"What is the rational thing to do?"</p>		
Prerequisites	NONE		

Prerequisite	<p>NONE</p>
Course Requirements	<p>Students will be asked to prepare to engage in class topic discussions. As this class will be student driven, there will be expectation of full participation from each of the students. The class will be conducted in seminar style where an introduction to the topic will be delivered, followed by Q&amp;A and then to student engaged position discussions</p> <p>There will be short reading assignments from Text, topic articles and films. (all assignments will be posted at the beginning of the class) There are no first day reading assignments.</p> <p>*PBL Applied Class *All major documents are provided by QR code for 24 hours access</p>
Grading Policy (Absolute)	<p>Grades will be based on</p> <ol style="list-style-type: none"> <li>1. attendance and participation 40%</li> <li>2. position presentation 30%</li> <li>3. 4-6 page position paper on topic of choice 30%</li> </ol> <p>* Students are expected to attend regularly and should be prepared to participate fully in class discussions.</p>
Texts & References	<p>"God grant me the serenity to accept the things I cannot change. Courage to change the things I can change, And wisdom to know the difference" - Reinhold Niebuhr. * all readings/films TBA</p>
