-----------------	----------------------------

Course Description & Goals	<p>This course aims to provide you with basic information and analytic skills that are thought be required for your further legal studies, or, at least for living as a citizen of a civilized nation.</p> <p>Throughout the course, we will explore various topics relating to law, including, among others, the following: What is law?; Why do we have to obey law?; Is law merely "discovered" by humans or created by humans?; Who makes law?; What kinds of laws exist around the world?; What are the most important and basic legal principles commonly found around the world?; What is a good law?; and, What is justice?. To find out the answers to these questions, we will explore a variety of different legal systems.</p> <p>If you actively engage in this class, you will be able:</p> <ul style="list-style-type: none"> -to develop a firm understanding of 'the definition and role of the law'and 'the role of different actors of the law'; -to develop a critical and analytical thinking skill; and, -to develop a balanced and flexible view on the law which is not prejudiced by a certain specific legal system.

* Changes in Management of Academic Semester

During the midterm examinations (2021.4.19. - 4.23.) and final examinations (2021.6.7. - 6.8.) period, classes or self-study should be continued unless there is an exam scheduled during the week.

* According to the University regulation section 57-2, students with disabilities can request special support related to attendance, lectures, assignments, or exams by contacting the course professor at the beginning of semester. Upon request, students can receive such support from the course professor or from the Center for Students with Disabilities(OSD). The following are examples of types of support available in the lectures, assignments, and exams:

(However, actual support may vary depending on the course.)

[Lecture]

- Visual Impairment: alternative, braille, enlarged reading materials, note-taker
- Physical Impairment: alternative reading materials, access to classroom, note-taker, assigned seat
- Hearing Impairment: note-taker/stenographer, recording lecture
- Intellectual Disability/Autism: note-taker, study mentor

[Assignments and Exam]

- Visual, Physical, Hearing Impairment: extra days for submission, alternative type of assignment, extended exam time, alternative type of exam, arranging separate exam room, and proctors, note-taker
- Intellectual Disability/Autism: personalized assignments, alternative type of evaluation
