<b>Evaluation and Grading</b>	<p>Class Participation (attendance + participation in discussions/activities) 10%, Essays 35% (×2), Final Exam 20%            *Details/instructions concerning the assignments will be provided approximately 5-6 weeks in advance            NOTE: A+/A0 grade will only be given to students who consistently produce exceptional work with a total score of 90 or above for the whole course. Students will be automatically ineligible for an A+/A0 grade for any of the following: miss three or more classes without legitimate reason made in advance, fail to submit assignment/s on time without legitimate reason made in advance, do not participate in class discussions, fail to meet minimum citation requirements (in-text and bibliography), or submitted penalized assignments (negligence, plagiarism, etc.). There will be no changes to scores or grades unless there are major miscalculations.</p> <p>Please note that there may be specific arrangements depending on the COVID-19 situation. In such case, announcements will be made accordingly.</p> <p><b>Attendance</b>            Attendance is mandatory and frequent absences will affect your grade (with the exception of legitimate health/family, academic/career related reasons). Students are responsible for catching up with the content, material, and instructions covered in class.            ?Students are allowed two absences (three late/early exit = one absence)            ?Three absences will result in five points deducted from your final score (half a letter grade), and each subsequent absence will also result in a five-point deduction.            ?Students unable to attend due to legitimate health/family, academic/career related reasons must inform the instructor in advance.            ?Six or more absences due to internships, work, or other academic-related commitments will result in a maximum grade of C+.            ?Nine or more absences without genuine reasons will result in a F-grade.            ?If you have any particular serious, documented health conditions (e.g. disabilities, injuries, long-term illnesses, etc.) that will affect your studies, or require certain attention, please let the instructor know in advance.            ?Discriminatory comments and statements concerning race, color, national origin, sex, pregnancy, age, disability, creed, religion, sexual orientation, gender identity, gender expression, veteran status, political affiliation or political philosophy will not be tolerated.</p> <p><b>Assignments</b>            ?Students must undertake and submit all assignments to pass the course.            ?All assignments must be submitted via PLATO by the due date/time. Extensions will only be given under exceptional and unexpected circumstances (health and family) and students must contact the instructor before the due date/time.            ?There is zero-tolerance for cheating and plagiarism in any of the assignments, and all assignments are scanned for any infringements. Students found cheating or plagiarizing will be given an automatic zero for the specific assignment and a F-grade for the course without any exceptions.            ?Assignments submitted late without prior, genuine explanation will be automatically penalized with a 10-point deduction and 5-point deduction for each day it is late. Late assignments without genuine, prior notice will also not receive any feedback.            ?Students are responsible for the content and format of all their assignments.            ?Ensure that you are citing credible material.            ?Use correct and consistent citation formats (e.g. APA, MLA, Chicago, Harvard, etc.), including both in-text</p> <p style="color: red; text-align: center;">* Students with disabilities can request an extension of the exam hour, and they can take exams by getting writing assistance or by using a computer.</p>				
<b>Prerequisites</b>	None.

# Syllabus of Fall Semester, 2020

	<p>citation and bibliography. Assignments that have improper citations or missing either/both in-text citation and bibliography will lose significant amount of points in their assignments.</p> <p style="color: red;">* Students with disabilities can request an extension of the exam hour, and they can take exams by getting writing assistance or by using a computer.</p>							
<b>Prerequisites</b>	None.							
<b>Course Objectives</b>	<p>This course aims to understand the structures, processes, circumstances, and developments in Korea's politics and foreign policy.</p> <p>The objectives are to understand:</p> <ul style="list-style-type: none"> <li>?Key historical events that impacted Korean politics and foreign policy</li> <li>?The characteristics of Korea's politics and foreign policy</li> <li>?Prospects and issues for Korean politics and foreign policy</li> </ul>							
<b>Course Description</b>	<p>Since the establishment of the government in 1948, governance in the Republic of Korea has experienced myriad challenges and developments. Explaining Korea's politics and foreign policy, requires understanding of the various internal and external developments. This course examines the structure, processes, circumstances in Korea's politics and foreign policy since 1945. The first half of the course will address the governance and key developments and issues to date. The second half of the course will then look at Korea's foreign policy in the context of economics, environment, foreign aid, security, public diplomacy, and inter-Korea relations, as well as discussing the future prospects and issues.</p> <p>The course will develop the students' analytical skills and knowledge the structure, processes, and circumstances in Korea's governance and foreign policy. In each class, PPT will be used to visually illustrate the concepts and developments. While the professor will lead the lectures, it will be interactive, and discussions will be a key component of the course.</p> <p style="color: red;">* Students with disabilities can negotiate with the Disabled Student's Academic Support Center regarding course materials and assignments.</p>
