|----------------------------|--|
| Course Description & Goals | This course explores some of the major themes in the history of non western Christainity by giving Special emphasis on the role played by non western missionaries, indigenous Christian leaders and European missionaries. This course will focus on understanding history of Christianity in non western world firstly by exploring Christianity that evolved from first century in Jerusalem. Understanding how it has developed and functions in contemporary world. Second understanding Christianity that has its roots in western Christianity and studying how it has translated itself into nonwestern world by exploring how the transition has taken place, informed by specific local contexts, cultures and specific experiences of people. The students will be able to go beyond binary discourse of east and west and form their own opinion on history of Christianity. |

|----|--------------------------|-------------------------|--|--------------------------------------|

* Changes in Management of Academic Semester

During the midterm examinations (2021.10.18. - 10.22.) and final examinations (2021.12.13. - 12.17.) period, classes or self-study should be continued unless there is an exam scheduled during the week.

* According to the University regulation section 57-2, students with disabilities can request special support related to attendance, lectures, assignments, or exams by contacting the course professor at the beginning of semester. Upon request, students can receive such support from the course professor or from the Center for Students with Disabilities(OSD). The following are examples of types of support available in the lectures, assignments, and exams:

(However, actual support may vary depending on the course.)

[Lecture]

- Visual Impairment: alternative, braille, enlarged reading materials, note-taker
- Physical Impairment: alternative reading materials, access to classroom, note-taker, assigned seat
- Hearing Impairment: note-taker/stenographer, recording lecture
- Intellectual Disability/Autism: note-taker, study mentor

[Assignments and Exam]

- Visual, Physical, Hearing Impairment: extra days for submission, alternative type of assignment, extended exam time, alternative type of exam, arranging separate exam room, and proctors, note-taker
- Intellectual Disability/Autism: personalized assignments, alternative type of evaluation
